

Dima-

1. What have I worked on?
 - a. Created a different notebook for each dataset to optimize EDA clarity. Started EDA on Article80 data.
1. What will I be working on next?
 - a. Completing EDA on Article80 data.
2. Have I run into any issues? Do I need help?
 - a. No issues.
3. Team Lead: Have I talked to the TPM recently? When are we meeting with them next?
 - a. Checked in with TA, TPM. Will meet again next Thursday during lab week.

Aryan-

1. What have I worked on?
 - a. Worked with Dima on starting EDA on Article80 data.
2. What will I be working on next?
 - a. Continuing working on EDA on Article80 data.
3. Have I run into any issues? Do I need help?
 - a. n/a

Brianna-

1. What have I worked on?
 - a. Started EDA for approved permits data, and filtered and plotted data for analyzing relationships between building permits approved each year by valuation and square footage.
2. What will I be working on next?
 - a. Continuing preliminary analysis on building permits by geography, and type (worktype, description)
3. Have I run into any issues? Do I need help?
 - a. No issues right now.

John-

1. What have I worked on?
 - a. Started EDA for zoning board of appeal tracker data. Wrote code that filtered and plotted data on the percentage of zoning reliefs approved by zipcode.
2. What will I work on next?
 - a. I'm going to continue analyzing the data
3. Have I run into any issues? Do I need help?
 - a. I had a bit of trouble pulling and pushing to the Git repository but it was dealt with and all my work has been pushed. I don't need any help at the moment.

Jasper-

1. What have I worked on?
 - a. I worked on adding the datasets that I have identified as relevant to the project
2. What will I be working on next?

- a. Starting EDA for the census data and analyzing the data
- 3. Have I run into any issues? Do I need help?
 - a. No issues as of now
