   a. Yes, checked in during this week's lab.

Aryan-
1. What have I worked on?
   a. Worked on Deliverable 1, helped to make extra visualizations for the base questions
2. What will I be working on next?
   a. Checkpoint a presentation
3. Have I run into any issues? Do I need help?
   a. no

Brianna-
1. What have I worked on?
   a. Created additional graphs from approved permits data to answer base project questions and added them to Deliverable 1, and worked on the presentation slides for Checkpoint A.
2. What will I be working on next?
   a. Working on Checkpoint A presentation.
3. Have I run into any issues? Do I need help?
   a. No

John-
1. What have I worked on?
   a. Analyzed data more, created more visualizations, added graphs to deliverable 1
2. What will I work on next?
   a. Breaking down data and making graphs more detailed, working on checkpoint A
3. Have I run into any issues? Do I need help?
   a. For now, I'm good.

Jasper-
1. What have I worked on?
   a. EDA on census data, picked relevant data to our projected and created graph visualizations for relevant data for deliverable 1
2. What will I be working on next?
   a. Working towards completing checkpoint A

3. Have I run into any issues? Do I need help?
    a. I ran into a few issues while trying to graph but I resolved them and do not need help
